IN RE OPTICAL DISK DRIVE  
ANTITRUST LITIGATION

Case No. [10-md-02143-RS](#) (JCS)

This document relates to:  
  
ALL ACTIONS

**ORDER FINDING JOINT DISCOVERY  
LETTER AND MOTIONS TO FILE  
UNDER SEAL TO BE MOOT**

Re: Dkt. Nos. 1785, 1786, 1787

Based on the parties' representation that they have resolved their discovery dispute (dkt. 1801), the Court finds the pending Joint Discovery Letter (dkt. 1786) to be moot. The requirement that counsel appear in person on February 19, 2016 is therefore VACATED, and the hearing shall be taken off calendar. *See* dkt. 1792.<sup>1</sup>

Because the Court need not consider the material submitted in connection with the Joint Discovery Letter, the requests to file such material under seal (dkts. 1785, 1786) are also moot. The Court therefore VACATES all previously ordered requirements that parties submit renewed motions to seal, supplemental declarations, or public versions of exhibits filed in connection with the discovery dispute. *See* dkts. 1799, 1800.

**IT IS SO ORDERED.**

Dated: February 19, 2016
